AGCO PARTS

Be Safe, Be Seen

- Ensure lighting is legal, safe and looks the business
- To see and be seen - essential for the safe operation of tractors
- Choose from our extensive range of OEM-specification work lights and rotating lights

>> Contact your local dealer for more information on the huge range of lighting for your AGCO machine... <<

MASSEY FERGUSON FENDT

TRADE PARTNER PROGRAMME

CAN YOU SPOT THE DIFFERENCE?

YOU WON'T - BUT YOUR MACHINE WILL!

Did you know?

- Maximum Starter power may be reduced by approx. 15%** using a battery at only 70% of charge. This may result in a reduced Starter life span.
- A dead or poorly charged battery may lead to an overload in the Alternator with unnecessary surcharges or undue stress.
- If the power output of the Alternator drops, it will eventually cause the Battery to die and ignition system to fail.

* Battery approved by AGCO Engineering Centre ** Test set at -20°c

TRADE PARTNER PROGRAMME

DON'T BE LEFT OUT IN THE COLD THIS WINTER

Our range of Antifreeze products are formulated specifically to provide protection all year round. Our products not only ensure effective cold start, but the balanced blend of rust and corrosion additives contribute to cooling system integrity.
Available in 1ltr, 5ltr, 20ltr, 205ltr & 1000ltr (product dependant)

Universal Antifreeze

Protect all engines from frost damage right down to -34 °C and ice damage down to -50 °C (at 50% of total coolant volume).

Antifreeze Ultra

OAT technology will protect all engines from frost damage right down to -40 °C (at 50% of total coolant volume).

Ultramax Orange

A heavy duty, versatile antifreeze/coolant that provides long-life corrosion protection for all engine metals, including aluminium and ferrous alloys.

DESIGNED TO MEET THE DEMANDS OF MODERN ENGINES AND THEIR COOLING SYSTEMS
